

Amendments to the Specification:

Please amend the specification to correct the following informalities as follows:

At page 2, line 8, please delete “distinguishing” and insert --distinguishes--therefor.

At page 2, line 29, please delete “results” and insert --result--therefor.

At page 4, lines 18-19, please change “networks 20 and 22, each containing a network address location A1 and A2” to --networks 20 and 22 containing network nodes A1 and A2, respectively.

--

At page 6, lines 21-22, please change “in establishes” to --in turn establishes--.
